**Transformative Six-Week Modules • Three
Core Focus Areas + Capstone Project**

The **Ethical Leadership Credential**, offered by the **EALO**, is a comprehensive program designed to equip individuals across Africa with the knowledge and tools to lead ethically and transparently. This transformative program builds a foundation for leaders who prioritize accountability, integrity, and transparency in their roles.

The program spans **six (6) six-week modules**, blending theoretical knowledge with practical application. Participants will explore three critical focus areas: **Ethical Governance**, **Transparent Leadership**, and **Integrity in Decision-Making**, culminating in a **Capstone Project** to address real-world leadership challenges in Africa.

Program Structure and Core Focus Areas

1. Ethical Governance

This module provides a deep dive into the principles of good governance, accountability, and ethical practices. Participants will learn:

- How to establish and sustain governance systems that prioritize the public good.
- Strategies to prevent and address corruption within institutions.
- Techniques for fostering accountability and transparency in public and private sectors.

2. Transparent Leadership

This module focuses on inspiring trust and cultivating honesty in leadership. Participants will gain insights into:

- Building trust within teams, organizations, and communities.
- Communicating transparently to manage expectations and foster collaboration.
- Creating a culture of openness that empowers others to act with integrity.

3. Integrity in Decision-Making

This module equips leaders to navigate complex ethical dilemmas with wisdom and courage. Participants will learn:

- Frameworks for ethical decision-making in challenging circumstances.
- Balancing competing interests while upholding core values.
- Leading with conviction and setting an example for others to follow.

CAPSTONE PROJECT:

The program culminates with a **Capstone Project**, where participants design and present actionable solutions to pressing leadership challenges in Africa. This hands-on project allows learners to apply their knowledge, engage with peers, and receive valuable feedback from experts.

Key Features of the Program

- **No Tuition Fees:** The program is offered for free to ensure accessibility, with participants only paying for handouts, feeding, and certificates.
- **Flexible Learning Options:** Choose between **in-person sessions** for a dynamic classroom experience or **online learning** for convenience and flexibility.
- **Practical Curriculum:** The modules combine **interactive case studies**, **real-world simulations**, and **engaging group projects** to ensure practical learning.
- **Networking Opportunities:** Collaborate and learn from a diverse cohort of future African leaders.
- **Certification:** Earn an **Ethical Leadership Credential** upon successful completion of the program.

What You Will Gain

By participating in this program, you will:
